

5th August, 2020

Dear Valued Customers,

Advice regarding Schoolfurn response to stage 4 restrictions

As a result of stage 4 restrictions being introduced in metropolitan Melbourne, production at Schoolfurn will cease as of Wednesday 5th August for a period of six weeks. We expect to re-open Monday 14th of September, pending Government health advice.

Our online ordering services will continue to be available as normal during this period to our valued customers. All orders will be held and dispatched as soon as restrictions allow. Our sales team will be available online and over the phone to provide any assistance or clarification during this time.

Limited delivery capacity is also available for some Schoolfurn products through our supply partners whom remain open (both interstate and within Victoria).

We acknowledge the impact these new restrictions will have both on our loyal customers and our hard-working staff. Thank you in advance for your patience and understanding during this time.

We look forward to sharing our 2021 Summer Catalogue which will be released in the coming months, featuring new product designs, interior fit-outs and concepts. As always, we continue to provide the best high quality, value for money furniture range in Australia.

For more information, please contact our friendly sales team on 1300 800 957 or sales@schoolfurn.com.au

Stay safe and well,

Adam Scott

Peter McCoy
